Dear Fellow Golfer,

On behalf of the Canadian Spinal Research Organization (CSRO) and Chai Lifeline Canada, we would like to invite you to partner with our organization to participate in the inaugural Charity Golf Tournament and Silent Auction, to be held on August 31, 2009 at Thornhill Golf Club.

In these challenging economic times, all non-profit organizations are feeling the ill effects. The inaugural Charities Funding Together Golf Tournament and Silent Auction offers the opportunity for charities to unite to raise proceeds for their respective organizations.

The tournament format will be a four person scramble, combined with a number of on-course activities. A reception follows the tournament, which will provide you with the opportunity to network with colleagues and to create new contacts, combined with a live and silent auction during the evening.

Our goal is to provide a spectacular venue which combines superior service and a top ranked golf course. Regardless of your golfing skill level, the day has something to offer everyone. Sign up early for this event, as it is guaranteed to sell out fast, as it is a members only course! I challenge you to find a better way to spend a day.
